Dear Parents,

Tuesday Lunchtime Gardening Club at Ecclesall Primary School.

Starting Tuesday 6th Nov - six sessions –last session Tues 11th Dec 2018.

Hello! I'm Bev, I have been running my own gardening business for over 5 years now, I also provide gardening clubs in primary schools.

I will be run one of these clubs at Ecclesall Primary school every Tuesday lunch time. The focus of the club is fun based learning, with a mixture of games and activities while the children eat their lunch, followed by practical gardening tasks.

The club will run each Tues lunchtime from 12 noon until 1pm.

In a typical 6 week programme they will learn how plants grow, what they need, how to make new plants, growing plants you can eat, plant life cycles. Sometimes they will plant things they can take home and other times they will do activities in the school garden school.

There will be a charge of £5.50 per session, £33 for 6 sessions: please can you pay by cash, or cheque: payable to B.Sheppard

I can have up to ten children in a group. Please print and return the slip below with payment, if you don't have a printer don't worry, just write the information on a separate piece of paper.

If your child cannot be allocated a place this time, you will be contacted, your payment and slip will be returned, or your child can be added to a list, and I will do my best to make sure they get a place next time.

Your child will need, a packed lunch, a waterproof coat and shoes if wet.

Kindest regards,
Bev Sheppard
RHS qualified gardener
