

Week Beginning May 20th
This half-term our topic is; 'Growth'

Literacy

We will be reading the story of The Hungry Caterpillar. We have been observing the caterpillars in our classroom. In our phonics sessions we will be recapping some more of our Phase 3 sounds - oi, ear, air, ure, er and practising reading and spelling a range of tricky words.

Mathematics

This week we are going to be recapping some of the things we have learnt over the last half term including 3d shapes, addition and subtraction.

Understanding the World

We are going to be thinking about the lifecycle of a caterpillar as we observe the caterpillars changing in our classroom. We will also be thinking about the lifecycle of a tadpole and talking about how they grow and change.

This week we will also be taking part in our Mental Health Awareness week and focusing on emotional well being.
