

Week Beginning 23rd September 2019
This half-term our topic is 'Myself and other
Animals'

We hope the children are continuing to enjoy their days in school. We are very pleased to see how quickly they have settled into the school routine!

Literacy

In Literacy our big book is "It's The Weekend." We will be reading the book as a class, and discussing our weekend traditions at home. In Phonics this week we are learning the sounds S / A / T / P. We will be singing our alphabet song and thinking of words that start with the new sounds we are learning.

Mathematics

We will be doing our maths moments in the morning, where we count all the children and update our calendar.

Understanding the World

We will be talking about what we do at the weekend with our family and listening to our friends share what they do. We are celebrating European Day on Tuesday and we will be trying to speak some French and German. Our skill of the week is : Cutting.
