

Week Beginning November 4th 2019

This half term our topic is:
'Colour and Celebrations around the World'

We hope you have all enjoyed the half-term break. We look forward to hearing your news!

Literacy

Our Big Book this week is "Seasons". We will be reading this non-fiction book as a class. We will continue to segment and blend words for reading and spelling. We will revise the initial phonemes we have already learnt and we will be introducing the phonemes l / ll / j.

Mathematics

Our focus will be learning to say what is '1 more than' (greater than) and '1 less than' (fewer than) within 6. We will be singing songs and using many different apparatus to help us. We will continue to sing our 'days of the week' song and changing the day and date on our board.

Understanding the World

We will be discussing what colours we can see through the changing of seasons. We will explore our environment around the school and collect autumnal objects that we find on our walk.

Please remember to bring in a photo of your child celebrating something special and pass the photograph to the teacher.

Thank you ☺
