

Week Beginning 14th October 2019
This half-term our topic is 'Myself and other
Animals'

Literacy

In our literacy sessions we will be reading the big book Brown Bear, Brown Bear and encouraging the children to join in as we read. In phonics we will be learning the phonemes e/u/r and our first digraph ck. We will be practising segmenting and blending words with all our previously learnt phonemes. We will be having a go at writing 'I am... and I can...' sentences this week. We will be practising using our 'robot arms' to segment to spell the words.

Mathematics

Our focus for this week is using numbers from 1-6, we will practising estimating and counting to check. We will be singing a range of number fun songs to help us too.

Understanding the World

We will be doing science this week. We will be discussing our class animals and finding out some interesting facts about Pandas, Koalas and Polar bears. We will be finding out where they live and what they eat.
