

Week Beginning October 21st 2019

This half-term our topic is 'Myself and other Animals'

Literacy

In Literacy our big book this week is "Polar bear, Polar bear". We will be doing some 'shared writing' as a class and having a go at writing 'I am... and I can...' sentences. We will be practising using our 'robot arms' to segment to spell the words. In phonics we will be learning the phonemes h/b/f and the digraph ff. We will be practising segmenting and blending words with all our previously learnt phonemes.

Mathematics

Our numeracy focus will be learning to say what is '1 more than' (greater than) and '1 less than' (fewer than) within 6. We will be singing songs and using lots of different apparatus to help us.

We will continue to sing our 'days of the week' song and changing the day and date on our board.

Understanding the World

We will be talking about where animals live and asking why different environments are suited to a particular animal. We will be using a variety of non-fiction books to help us.
