

Week Beginning December 2<sup>nd</sup> 2019  
This half-term our topic is;  
'Colour and celebrations around the world'

Literacy

In Literacy we will be reading Christmas stories. We will be revising all the sounds and key words that have been introduced so far in phonics. We will be playing lots of games such as full circle and using letter fans to practise blending to read and segmenting to spell simple words. We will continue to practise reading simple sentences with the tricky words I, the, to, no, go, into.

We will be writing our sentences that we practised last week ; 'I am.....', 'Put in a.....' and 'can I get a.....?' We will be segmenting the sounds to help us spell the words and using our letter mat to help us find the letters.

Mathematics

Our numeracy focus this week will be ordering numbers to 10 and looking at the value of numbers and discussing greatest and fewest. Our star maths words this week are increasing, decreasing, most, fewest, greatest and least.

Understanding the World

Our session this week will focus on Christmas! We will be introducing the children to The Christmas Story and discussing traditions that the children take part in at Christmas with their family.

Remember it is our Christmas Workshop on Tuesday 3<sup>rd</sup> December 09:00 - 10:00, everyone is welcome!
