

Week Beginning December 16th
This half-term our topic is;
'Colour and celebrations around the world'

Literacy

This week we will be enjoying a range of stories, poetry and rhymes related to Christmas.

In phonics we will be recapping our 3 new digraphs ; sh, ch and th. A digraph is where two letters make one sound. We will also practise all key words learned so far. We will be practising the skills of blending sounds to read and segmenting to spell, and playing lots of games to help us including our cross the river game.

Mathematics

This week we will be recapping some of the things that we have learnt this half term. We will be talking about 2d shapes and their properties, sequencing the days of the week and talking about the different seasons.

Understanding the world

We will be talking about how Christmas is celebrated in our school. We will be playing some party games and listening to Christmas music. We will be thinking of the similarities and differences between ourselves and others.

Our Christmas concerts will be taking place this week on Monday 16th December and Wednesday 18th December.

We look forward to welcoming you!
