

# **Ecclesall Primary School**

## **Fire guide for Parents/Carers**

---

Our Fire Alarm is a long constant siren sound.

On hearing / activating the alarm, please immediately vacate our school building by using the nearest available fire exit.

Please walk to our Fire Assembly Point situated on the main, large playground next to the MUGA.

Children will line up with their teachers in class order on the playground.

Please leave your child with your child's class teacher & then...

Assemble near the STAGE area on the main playground in a calm, quiet manner and listen for further instructions from a member of SLT.
