

## Literacy

- ◆ Draw and write an Easter card to a family member. Include a hand written letter about how you are and ask a question in the letter.
- ◆ Read or listen to The Easter Story. Now challenge your child to write a sentence about The Easter story or draw pictures to re-tell the story.
- ◆ Write instructions on how to decorate a boiled egg with paints.

## Physical

- Move like spring animals around the garden ; hop like a bunny ect.
- Set up an Easter obstacle course.
- Put on an Easter dance performance.

## Knowledge and Understanding the World

- If you're able to go outside for walks see what signs of spring you can notice. Take paper and pencils and sketch what you can see. Look closely at flowers and identify them using google.
- Draw pictures of Easter animals.
- Discuss the cycle of a chick to a hen.
- Go bird spotting in the park / woods and identify them.

# Easter

## Maths

- Do repeating patterns on Easter egg colouring in sheets.
- Complete some Easter addition / subtraction equations e.g 5 chicks hatched and then 3 more, how many hatched altogether?
- Look at symmetry together and see if your child can match a pattern you start on one half on an egg
- Explore doubling and halving by drawing amounts of eggs and asking your child to draw the same again and count how many altogether.
- Complete an Easter dot-to-dot following the numbers in sequence.

## Outside ideas :

- Do an egg and spoon race
- Easter hunt—write clue to read for the next one.
- Easter egg roll..
- Put on an Easter parade with all the Easter things you have made.
- Make a den for spring animals in the garden.

## Expressive Arts

- Make Easter hats
- Make Easter animals
- Make an Easter garland
- Do Easter prints with potatoes.
- Weave an Easter basket
- Make Easter masks
