Dear Parents and Carers

Thank you for your support, co-operation and encouragement; it is really appreciated. Things are moving very quickly and we will keep you updated with changes as they happen. This will sometimes be by text if we need to inform you immediately. Please also go on our EPS website for any updates too.

Listed below is the present situation.

### **Pick up and drop off arrangements**

These will continue to be the same as requested on our School update 1 letter.

### **Trips and Visits**

All trips and visits, including swimming, are cancelled up to the Easter holidays.

We have been in contact with the residentials but at present, no final decisions have been made so please bear with us.

### **Home Learning**

Staff are preparing additional home learning for all year groups. This will be available on the Curriculum section under each year group by the end of term. Please use this link and then click on the relevant year group. <https://ecclesallprimary.co.uk/curriculum-2/>

If your child, or anyone who lives with them has a new persistent cough or high temperature then your child must stay at home for 14 days.
