In our phonics sessions we will be practising all previously learned letters and sounds, reading and spelling words with these. We will also be recapping on the tricky words that we have learnt so far.

We will be celebrating World Book day on Tuesday. Remember to dress up as your favourite character from your favourite book.

Mathematics

In our session this week we will be working with numbers up to 20. The children will be ordering, recognising and counting objects using these amounts.

Understanding the World

In our session this week we will be thinking about different modes of transport and how we get to certain places.

REMEMBER : It is our phonics workshop on Wednesday. We hope to see you there where you will be able to play phonics activities with your child until 10:00 in their classroom.
