Year 3: suggested activities in the event of school closure

English

Our new topic will be 'Stone Age, Bone Age' studying the life of prehistoric people. On our website, please follow this link http://ecclesallprimary.co.uk/y3/ where you will find a PowerPoint all about the life of a hunter gatherer. On this PowerPoint, you will also find links to other websites with further information about this topic.

Present the new facts that you learn in a style of your own choice. Suggested ideas could be an illustrated poster, a PowerPoint, an information leaflet, a model or your own choice.

Handwriting

Your child has been provided with a line guide. The children have been taught how to use this with plain paper attached with paperclips. We will use the website to set handwriting tasks for the children to practise.

Reading

Please read every day and try to read aloud to someone at least four times a week. Keep completing your reading diary. We have also set you a selection of fiction and non-fiction books on Bug Club. Your login details are printed in your homework books.

Maths

Follow this link http://ecclesallprimary.co.uk/y3/ to find a Powerpoint with Year 3 calculations so that you can practise the four methods we have learnt this year. There are 2 'calculation check-ups' at the end of this Powerpoint to work on. After this, you can use a dice or your own 1-9 number cards to generate more numbers to calculate with.

Keep up with times table knowledge using the following websites or log onto MyMaths, click on 'Booster Packs' and then 'Times table booster':

https://www.topmarks.co.uk/maths-games/7-11-years/times-tables
https://www.timestables.co.uk/

We have also set MyMaths lessons on telling the time. The following tasks have been set:

Other information

List of useful websites

Top marks – hit the button multiplication
https://www.topmarks.co.uk/

Bugclub – read the books and answer the questions
https://www.activelearnprimary.co.uk/login?c=0

Mymaths – Complete any work set and use for games
https://www.mymaths.co.uk/

BBC bitesize – use for learning from the curriculum jigsaw.
https://www.bbc.co.uk/bitesize/levels/zbr9wmn

DK findout – for learning on the Stone Age
