

Weekly Distance Learning plan

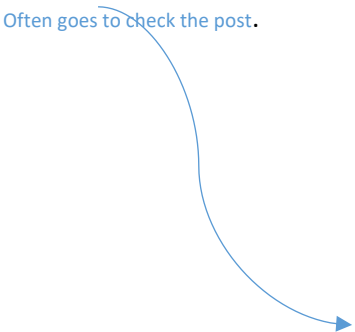

Year group: 5

Date: w/c 20th April 2020

Please access as much of this learning as you feel is suitable for your child – we understand that families are in very different situations with access to different devices and varying amounts of time available to them. Stay safe.

Subject	Task/Activity	Easier/Harder	Notes
Maths 1 (Recap)	<p>Work through the calculation check-up.</p> <p>Practical maths: Using objects around the house find and identify right, obtuse and acute angles.</p>	<p>Check-up differentiated so work at what children feel comfortable with.</p> <p>Task: E: Use body to form angles. Draw them onto paper.</p> <p>H: If access to protractor, measure the angles you have created.</p>	<p>Complete two from each column of the calculation check-up.
