

Returning To School

Schools have been closed.

I have stayed at home.

I am doing some good activities. I am doing some learning.

Sometime my school will open. The government will decide when.

The government are waiting until we are safer from the virus.

The government will tell us what day we will go back

School might be a bit different but many things will be the same.

These people will help me _____

So there will be quite a few changes!

But you will still see our smiling faces around school!

We are really looking forward to seeing you soon!
