

## Phonics Week 4

Tricky words :

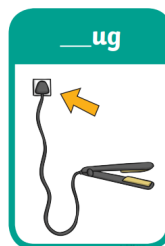

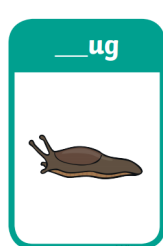

one

were

there

Can you write a sentence with one of these tricky words? Challenge yourself and write three sentences with each of the tricky words.

Consonant blends ; this is where two or more consonants are blended together and it can seem like there is only one sound. Practise segmenting and blending these words with the consonant blends **pl**, **pr**, **sc** and **sl**.

Can you write some sentences with words that have the consonant blends pl, pr, sc and sl?
