

Every week we go in the hall to play games, dance and do lots of running and jumping. All the children get changed for these activities. At first we will help you to get undressed and dressed but very soon you will be able to do this all by yourself. At home time your grown-up will meet you in the classroom.

We are looking forward to seeing you soon.

Special Things to Remember

When you want

Every day, you can

Outdoor Patio

We also do lots of exciting things in our outdoor learning space right outside the classroom.

Playtime

You will play on the playground with your friends every day.
The teachers will look after you.

Your new classroom

Our class is called Koalas.
In the classroom you will have a drawer with your name on.
Every morning your grown-up will help you to find your name card and put it with your photograph. Then they will help you put your name on the dinner list.
These jobs are important.

We do lots of exciting things in our Jungle! You will have a peg outside our jungle where you will hang your coats.
