

## Weekly Distance Learning Plan

Year group: 6

Summer 2 Week 1 - commencing 01/06/2020

Please access as much of this learning as you feel is suitable for your child – we understand that families are in very different situations with access to different devices and varying amounts of time available to them. Stay safe.

Subject	Task/Activity	Easier/Harder	Notes
Maths 1	My Maths - area of a triangle  <a href="https://www.youtube.com/watch?v=ur9ffiT-Uiw">https://www.youtube.com/watch?v=ur9ffiT-Uiw</a>	Make triangles out of paper. Can you work out the area?  <b>Support</b> Area of Triangle Support	
Maths 2	Twinkl arithmetic paper	If you struggle on a question, miss it out and then use the answer to work backwards to see how it was solved.  <b>Support</b> - Fraction Support Card - Calculation Support	The answers are included for you to mark your own.
Reading	Choose one of the playscripts from Bug Club to read and answer the questions.	<ul style="list-style-type: none"> <li>Find a Way Out</li> <li>Three Mistakes and a Monster</li> </ul> <b>Easier Option</b> <ul style="list-style-type: none"> <li>Curious Cases</li> </ul>	
Writing	Choose part of a story or a film to write up using one of the options.	<u>Options</u> <ul style="list-style-type: none"> <li>Write a playscript.</li> <li>Present it as a storyboard/ comic strip with pictures and writing underneath.</li> <li>Write it as a story, including speech (if needed).</li> </ul> <b>Support</b> <ul style="list-style-type: none"> <li>Speech Punctuation support</li> <li>Vocabulary Bank</li> <li>ISPACE Openers Support</li> <li>Use the playscripts on Bug Club to help you with how to set yours out.</li> </ul>	
Spelling	Choose 5-10 words from one of the word lists (either one from your pack or the common exception words on our website).  Use the spelling strategies and games found in your pack to help you learn them.		If you're in the IDL group, you could do three 20 minute sessions (or four 15 minute sessions) instead / as well if you wish.

Topic	<p><b>A link back to our Evolution topic</b></p> <p>1. Watch Mrs Pegg reading the book 'Moth'.  <a href="https://drive.google.com/file/d/1I_tdvloNEcbOiwG/EI5aaiNnvGOATmk/view?usp=sharing">https://drive.google.com/file/d/1I_tdvloNEcbOiwG/EI5aaiNnvGOATmk/view?usp=sharing</a></p> <p>2. Research Charles Darwin and what he discovered on his trip to the Galapagos Islands. You can present this research however you would like e.g. poster, PowerPoint, video, booklet.</p>	<p><b>Support Questions</b></p> <p>What can you find out about Charles Darwin?  e.g.</p> <ul style="list-style-type: none"> <li>• When was Charles Darwin born?</li> <li>• What did he discover on his trip to the Galapagos Islands?</li> <li>• How did this inspire him to develop his theory of evolution?</li> <li>• What is his theory of evolution?</li> <li>• What was Charles Darwin's book called?</li> </ul> <p>What can you find out about the Galapagos Islands?  e.g.</p> <ul style="list-style-type: none"> <li>• Where are the Galapagos Islands? Can you locate them on a map?</li> <li>• What's the climate like?</li> <li>• What animals live there and how do they differ?</li> </ul> <p>Useful videos and websites:  <a href="https://www.bbc.co.uk/bitesize/topics/z3fyedm/articles/zk9cxyc">https://www.bbc.co.uk/bitesize/topics/z3fyedm/articles/zk9cxyc</a></p> <p><a href="https://www.youtube.com/watch?v=WVK72JxXPTk">https://www.youtube.com/watch?v=WVK72JxXPTk</a></p> <p><a href="https://www.youtube.com/watch?v=TOB6os-6uuc">https://www.youtube.com/watch?v=TOB6os-6uuc</a></p> <p>More information on the Galapagos Islands and the animals which live on them:  <a href="https://www.natgeokids.com/uk/discover/geography/countries/n-g-kids-heads-to-the-galapagos-islands/">https://www.natgeokids.com/uk/discover/geography/countries/n-g-kids-heads-to-the-galapagos-islands/</a></p>	<p><b>Glossary</b> (linked to the book in Mrs Pegg's video)</p> <p><b>lichen:</b> lichen is a plant found on rocks or trees made of both a specific fungus and a specific algae that help one another. An example of a lichen is the coloured patch growing on a tree branch.</p> <p><b>soot:</b> a black powder formed when something is burned - the very fine powder that colours smoke</p>
<b>Extra</b>	<b>Moth Artwork</b>	Create a piece of artwork based on the book 'Moth'.	You can choose what art materials you use depending on what you have at home.
	<b>BBC Bitesize</b>	BBC Bitesize have lots of home learning lessons with videos and activities. You might find these interesting if you have any spare time.	<a href="https://www.bbc.co.uk/bitesize/tags/zncscw/year-6-lessons/1">https://www.bbc.co.uk/bitesize/tags/zncscw/year-6-lessons/1</a>
	<b>Coding</b>	<p>Have a look at the different coding activities on this website.  <a href="https://projects.raspberrypi.org/en/projects?software%5B%5D=scratch&amp;curriculum%5B%5D=%201">https://projects.raspberrypi.org/en/projects?software%5B%5D=scratch&amp;curriculum%5B%5D=%201</a></p> <p>Choose a project to have a go at. Follow the instructions on screen as it takes you through what you need to do step by step.</p>	<p>Remember not to spend too much time in front of the computer screen!</p> <p>Be mindful about the work you produce. Make sure it is appropriate. If you see something you don't think is appropriate, tell an adult straight away.</p>

Please do let us know how you get on this week by sending us a picture of your learning.

Email us: [y6@ecclesall.sheffield.sch.uk](mailto:y6@ecclesall.sheffield.sch.uk)

Remember – please only send one email each week to your teacher and make sure that it comes from an adults' email address. Please put your child's class into the subject line.
