

Swatting spellings!

Write down a range of a-e, e-e and i-e words on post it notes. With the words faced down. (See list of words on next page) Ask the children to flip over the 'burger/ pancake' and sound out the word. Ask children to use their robot arms to sound out the words. Once children have read all of the words and are familiar with this weeks sounds switch up the game and play 'sound swatter'. Call out a sound and ask the children to swat all the post its with that sound in. Then ask them to swat specific words. This is a fast paced game to see if children can read the words with these sounds in.
