

Weekly Distance Learning plan

Year group: 3

Date: Week Beginning Monday 13th July

Please access as much of this learning as you feel is suitable for your child – we understand that families are in very different situations with access to different devices and varying amounts of time available to them.

Thank you for all your hard work this half term. We really appreciate all the effort you have put in at home to keep up with the learning. Enjoy a well-earned break and we look forward to seeing you in September as Y4 'Owls', 'Eagles' and 'Hawks'! (See 'Goodbye Note' from a little message from all of us)

Subject	Task/Activity	Easier/Harder	Notes
Maths 1 (Recap)	<p>This week we have a video with a game of 'Guess my shape'.</p> <p>Watch the video, guess the shapes and then have a go at writing some of your own descriptions for someone in your family or email them into us for us to guess. Remember to use the correct mathematical vocabulary.</p> <p>https://drive.google.com/file/d/1cwFnXOJWvNZSPyUQr4u0Dpm9BPONn7ue/view?usp=sharing</p>	<p>Easier: Pause the video and use the first few slides from the video to help you with your descriptions if you need to.</p>	
Maths 2 (new learning)	<p>Design a maths game to include things that we have covered this year. Can you include 2 addition, 2 subtraction, 2 multiplication and 2 division? You could also include a time question, a fractions question and a shape related question. Have a look at Week 8 Maths Design your own game ideas presentation for some ideas.</p>	<p>Harder: You can choose to include more questions that are more challenging.</p>	<p>There are lots of blank game boards online if you don't want to use any of ours but would still like a template.</p> <p>Once you've finished your game, challenge the people at home to play it with you.</p>
Maths extra	<p>'Emoji maths code breaking' task.</p>	<p>*(red) **(amber) ***(green)</p>	<p>Mathsframe website. https://mathsframe.co.uk/en/resources/cat</p>

	<p>Maths revision mat</p> <p>Times Tables games</p>	<p>Mathsframe website has a variety of maths games that are free which can be used to practise many maths skills including times tables. Choose some of these to play and try out some of the tables that you need more help with.</p>	<p>egory/22/most-popular</p>
Reading	<p>Listen to a chapter of The Indoor Pirates by Jeremy Strong read by Mrs Biggs and then practice reading aloud the script taken from the book. See if you can read the play extract with real expression!</p> <p>https://youtu.be/2nRUIInSCYDU</p> <p>Bug club reading – keeping with the pirate theme, you could read ‘The Pirates in an Adventure with Scientists: Quest for treasure’ or ‘The Pirates in an Adventure with Scientists: A Daring Rescue.’</p> <p>Optional – reading comprehension, The Owl and the Pussycat PDF.</p>	<p>Easier Follow these links to read along with some pirates stories read aloud:</p> <p>Pirates Love Underpants https://www.youtube.com/watch?v=-QCQJEmSado</p> <p>The Pirate Cruncher https://www.youtube.com/watch?v=Ro5S_UdvWkI</p> <p>The Night Pirates https://www.youtube.com/watch?v=KnVP6iBAvHg</p>	<p>Maybe you could design and make some pirate puppets to go with the Indoor Pirates play script. You can stage a performance of your puppet show for your family at home.</p>
Grammar	<p>Spelling Continue with the spellings from last week. English Spelling Rule ‘ture’ Week 6 and 7.</p> <p>If you completed the tasks from last week, you can continue to learn your spellings through Look/Cover/Write/Check. Grammar</p>	<p>Spelling See PowerPoint titled Mrs Haslam’s Zapper group.</p> <p>Choose 9 words that you haven’t had on a zapper yet. Then make your own ‘zapper’ to practise your spellings.</p>	

	Complete the SPaG Mat titled 'SPaG Revision'	Grammar Red – Try the SPaG Mat titled 'SPaG Revision Red'	
Writing	<p>2 options:</p> <p>1. Write your own play script based on 'The Indoor Pirates'. You could continue the play script above or write your own scene.</p> <p>2. Imagine you are one of the indoor pirates and you have arrived on a tropical island. What will you find?</p>  <p>(large picture on PDF 'tropical island story starter')</p>	<p>Red Create lots of expanded noun phrases to describe the beach use all 5 senses. Put these into sentences.</p> <p>Amber and Green You can write your own story about your trip to the beach and what treasure you discovered. What do you do with it now?</p>	A picture or a painting of your treasure finding would be a great addition to your writing.
Topic 1 Light Fantastic	Use the presentation Making Shadows and complete the investigation into the best materials for making curtains to help a baby (or you) sleep!	Red/Amber Ask an adult to talk through your understanding of how shadows are formed. You can choose from 3 levels of recording results sheet. Extra Make a poster of Fun Facts about Light.	Follow the links to watch shadows entertain us: https://www.youtube.com/watch?v=x1r9qNVqSrK https://www.youtube.com/watch?v=n4yJTDZKqjo
Topic 2 Light Fantastic	Watch the presentation Changing Shadows Plan out and conduct the investigation into how shadows change as the light source moves further away from the object blocking the light.	Red/Amber Ask an adult to talk through your understanding of how shadows change size. There are 3 levels of planning and recording sheets to choose from. Extra: Complete the Light, Reflection and Shadows Crossword.	If you want to make a sundial follow this link to wikiHow: https://www.wikihow.com/Make-a-Sundial#:~:text=To%20make%20a%20sundial%20with,a%20straw%20through%20the%20hole.
Extra – Listening	<p>'Slime' by David Walliams</p> <p>Part 1 https://www.youtube.com/watch?v=ArNTMj_DvLE</p> <p>Part 2 https://www.youtube.com/watch?v=4QPZ4JQXqk</p> <p>Part 3 https://www.youtube.com/watch?v=b07dMMbSd_4</p> <p>Part 4 https://www.youtube.com/watch?v=57nHg6PSVYs</p> <p>Part 5 https://www.youtube.com/watch?v=dx7QWpri1Tc</p>		

	Part 6 https://www.youtube.com/watch?v=4HD1paoFUOY Part 7 https://www.youtube.com/watch?v=mOkKkXdWjRE Part 8 https://www.youtube.com/watch?v=gbMQFvUEQik
	As always, below is just a bit of fun. Although they are 'days', they can be completed at any point in the week. Have fun!

Week Beginning 13 th July			
NATIONAL.....	Tuesday 14 th July MAC AND CHEESE DAY	Thursday 16 th July WORLD SNAKE DAY	Friday 17 th July EMOJI DAY
How to celebrate the day...	A firm favourite at school lunch time, you could have a go at creating your own mac and cheese in the kitchen (with an adult!) If you don't fancy making it, you could draw and design the ultimate mac and cheese. A recipe if needed: https://www.bbc.co.uk/food/recipes/macaronicheese_83521	The purpose of World Snake Day is to increase awareness of the wide variety of species around the world. Did you know, there are around 3,500 species of snakes?! If snakes are an animal that interest you, you could do some research to find out some fascinating facts about one or some of these and create a poster/factfile/powerpoint etc to show off what you have learnt. You could even watch 'Deadly60' with Steve Backshall on BBC iplayer.	Create your own emoji!  

Please do let us know how you get on this week by sending us a picture of your learning to:

Email: y3@ecclesall.sheffield.sch.uk

Remember – please only send one email each week to your teacher and make sure that it comes from an adults' email address. Please put your child's class into the subject line.
