

Week 6 active phonics:

Build an obstacle course in your garden or home. Below is an example of an obstacle course. This can be laid out in a line or in a circle.

At the beginning, collect a word. (see next page for words) Run the obstacle course. When you get to the end have 3 buckets. One with o-e, one with u-e (you sound) and another with u-e (oo sound). Match the word to its correct sound and put it in the bucket.

Read the u-e words with both the oo and the you sound in between. Which one sounds correct?

bone dome trofe drome cute fuse cube
pode glone home splude chude scume
stone cone splove flute June muke
gome proke wrote trute thrute jume
alone phone krote flume huge plume tube
quobe gnome zone drume blute fute strume
