

Week Beginning 28th September 2020
This half-term our topic is 'Myself and other
Animals'

Literacy

In Literacy our big book is "It's The Weekend." We will be reading the book as a class, and discussing what we do at the weekend. In Phonics this week we are learning the sounds S/A/T/P. We will be singing our alphabet song and thinking of words that start with the new sounds we are learning. We will also practise orally blending and segmenting words with our new sounds.

Mathematics

Our focus for this week is using shapes to continue and create repeating patterns.

Understanding the World

We will be talking about the special times we have with our families and what we do with our family at the weekend.
