

## Week Beginning November 2nd 2020

This half term our topic is:

'Colour and Celebrations around the World'

We hope you have all enjoyed the half-term break. We look forward to hearing your news!

### Literacy

Our Big Book this week is "Bonfire night". We will be reading this non-fiction book as a class and talking about the new information we find. We will continue to segment and blend words for reading and spelling. We will revise the initial phonemes we have already learnt and we will be introducing the phonemes h / b / f / ff /.

### Mathematics

Our focus will be learning to add and subtract with numbers within 6. We will be singing songs and using different apparatus to help us. We will continue to sing our 'days of the week' song and changing the day and date on our board.

### Understanding the World

We will be looking forward to a celebration that some people might take part in this week, Bonfire Night! We will be answering the children's questions: "How do fireworks work? Why is there a pretend person on the fire? How does a bonfire start?"

Please remember to bring in a photo of your child celebrating something special and pass the photograph to the teacher.

Thank you 😊
