

#StaySafeGetActive on your journey to

Ecclesall Primary School

Friday 2nd October 2020

Dear Parents/Carers of Ecclesall Primary School,

The area outside our school is busy in the morning and at the end of the school day. Some drivers park irresponsibly, potentially placing children in danger. Please help create a 5-minute protective Walking Bubble around our school so that everyone can travel safely and actively to school.

The idea behind our Walking Bubble is to create voluntary car-free zones around schools, encouraging everyone who can to 'Get Active' on their journeys to and from school. The Bubbles will also encourage families that have to travel by car to park at least 5-minute away from school, creating a safer space for walking, cycling and scooting.

Kind Regards,

Emma Hardy
Head Teacher
Ecclesall Primary School

#StaySafeGetActive

Supported by the

Department
for Transport

Thank you for pledging to support our 5-minute Walking Bubble

- I will protect the safety of children at my school by walking, cycling or scooting wherever possible.
- I will try to use my car as little as possible for school journeys
- When I do drive, I will park at least 5-minutes away from the school gates and walk the rest of the way.
