

Week Beginning 22nd March
This half-term our topic is; 'Journeys'

Literacy

This week we will our big book will be 'The Bear Hunt'. We will be using actions to help us to retell the story. In our phonics sessions we will be recapping more of the Phase 3 digraphs and trigraphs and playing more games to help us to remember them.

Mathematics

In our numeracy sessions we will be focussing on addition and subtraction. We will be thinking about which way we need to jump on a number line to add or subtract and thinking about what practical resources we can use to help us solve addition and subtraction number problems.

Understanding the World

In our session this week we be thinking about transport from the past. We will be comparing similarities and differences between how people in the past used to travel and how we travel now.

Polite reminder:

If you haven't already done so, please send in a journey photograph of your child to our reception email - yr@ecclesall.sheffield.sch.uk Thank you ☺
