

Week Beginning April 19th
This half-term our topic is; 'Growth'

Literacy

Our Big Book this week is "My History". In our phonics sessions we will be practising all previously learned phonemes, 'tricky' words - and introducing; have/like/come/some/said/so. We will be beginning to learn about words with consonant blends in them (eg. Clap/brush/blink) and we will be putting the words into sentences and playing 'I say, you say'.

Mathematics

Our focus this week will be 'doubling and halving'. We will be using ladybirds and spots and practising recording numbers. We will be singing a number fun song called doubling machine!

Understanding the World

In our session this week we will be talking about how babies change as they grow. We will be showing our photographs of ourselves when we were younger and talk about how we have changed and what we can do now that we couldn't do when we were babies. So please remember to send in a photograph of your when they were younger to our year group if you haven't already. Thank you.
