Dear Parent/Carers of new Reception children,

We are delighted to inform you that your child will be in Koala class, taught by Mrs Hoole.

Attached is a welcome video from your child's class teacher and a transition booklet for you to share with your child. Please copy and paste this link.

We are currently planning a variety of activities to support your child's transition into school. We are hoping to be able to organise a visit for your child to our Reception outdoor area and will share more information with you once we have received the latest risk assessment from the Health and Safety team.

We have already made contact with your child's preschool setting and talked to key workers and we will also be arranging visits to preschools. We would also like to have a telephone discussion with you to talk about your child. Please expect a call before the end of term. In addition we will be sending you more information about school including more videos from the class teacher and information about our daily routines and resources to support your child.
