

Week Beginning November 15th
This half-term our topic is;
'Colour and celebrations around the world'

Literacy

In Literacy our big book is "Handa's Surprise". We will also be continuing with our celebration writing this week.

In phonics we will revise the phonemes and digraphs that we have learned so far and we will be introducing the phoneme z and the digraphs zz and qu. We will re-cap the tricky words that we have learnt so far and will be working with our partner using the letter fans to make some three-letter words. We will be using our 'robot arms' to segment to spell words with the phonemes - 's, a, t, p, i and n'.

Mathematics

This week in numeracy we will be adding single digit numbers within 6. We will use objects or a number line to help add two single digit numbers together and we will practise writing numbers in a number sentence eg., $2+3=5$

Understanding the World

Our session this week will focus on how Handa's village is different to where we live in Sheffield. We will use an atlas and a globe to find Africa and look at the similarities and differences between Africa and the UK.
