

Week Beginning November 22nd
This half-term our topic is;
'Colour and celebrations around the world'

Literacy

This week we will be sharing our big book 'Choosing cards' and talking about different reasons we send cards to friends and family.

In phonics we will revise the phonemes and digraphs that we have learned so far. We will re-cap the tricky words that we have learnt so far and will be working with our partner using the letter fans to make some three-letter words. We will be using our 'robot arms' to segment to spell words with the phonemes - 's, a, t, p, i and n'.

Mathematics

Our focus for maths this week is to subtract using numbers within 10. We will be singing songs and using different apparatus to help us. We will continue to sing our 'days of the week' song and changing the day and date on our board.

Understanding the World

Our session this week will focus on people who help us in our community, what they do to help us and where we can find them.
