

Week Beginning November 29th

This half-term our topic is;

'Colour, communities and celebrations around the world'

Literacy

This week we will be sharing our big book 'Kipper's Birthday'. In phonics we will be recapping previously taught digraphs ck / ll / ss / zz / ff and introducing 'th' and 'sh'. We will continue to practise reading simple sentences with the tricky words I, the, to, no, go, into.

We will be writing the simple sentences; 'I am.....', 'Put in a.....' and 'can I get a.....?' We will be segmenting the sounds to help us spell the words and using our letter mat to help us find the letters.

Mathematics

We will continue to practise subtracting using numbers within 10. We will be singing songs and using different apparatus to help us. We will continue to sing our 'days of the week' song and changing the day and date on our board.

Understanding the World

Our focus this week is birthdays. We will be talking about the ways we celebrate our birthdays with friends and families and having parties in our birthday house!
