

Week Beginning April 18th
This half-term our topic is; 'Growth'

Literacy

Our Big Book this week is "My History" and our writing focus will be linked to this. In phonics we will be practising all previously learned phase 3 sounds and 'tricky' words - and introducing; there and little. We will continue to focus on learning Phase 4 blends focusing on lm/milk and lf/shelf.

Mathematics

This week we will be recapping on number bonds to 5. Our main focus will be ordering numbers and counting up to 20 objects.

Understanding the World

In our session this week we will be talking about how babies change as they grow. We will be showing our photographs of ourselves when we were younger and talk about how we have changed and what we can do now that we couldn't do when we were babies. Please remember to send in a photograph if you haven't done so already. Thank you.
