

**Re: Ecclesall Primary School staff car park**

Wednesday 28<sup>th</sup> September 2022

Dear Parents/Carers of Ecclesall Primary School children,

We are writing to inform you that **from Monday 3<sup>rd</sup> October 2022, Ecclesall Primary School car park will be for staff use only at all times of the day.** This is to ensure the safety of every child in our school.

Following a lengthy discussion, Governors voted unanimously that no parents or carers, except for disabled access, will be able to drive into the staff car park at any time from next week. This includes all adults apart from school staff and visitors arranged in advance.

The Huntley Road entrance will be open before school from 7.30a.m but for anyone collecting children after 3.30pm (from kids club or after school clubs), they will need to use the High Storrs Road entrance and enter on foot.

Having implemented a number of measures to ensure safety within the school grounds and observing carefully the use of the car park over the last few weeks, we feel the need to further reduce the risk to pedestrians and in particular, our children.

We are sorry for the inconvenience that this will cause, however it is of paramount importance that all our children are safe at all times and this is why the decision has been made.

Kind regards

Emma Hardy  
Head Teacher

Nicole Ramsey  
Deputy Head

Guy Willatt  
Deputy Head

Kevin Corke  
Chair of Governors
