

Behaviour and Attitudes

In order for the behaviour and attitudes judgement to be outstanding, the school must meet all of the good criteria securely and consistently and it must also meet the additional outstanding criteria.

Outstanding (1)

- The school meets all the criteria for good in behaviour and attitudes securely and consistently.
- Behaviour and attitudes are exceptional.

In addition, the following apply:

- Pupils behave with consistently high levels of respect for others. They play a highly positive role in creating a school environment in which commonalities are identified and celebrated, difference is valued and nurtured, and bullying, harassment and violence are never tolerated.
- Pupils consistently have highly positive attitudes and commitment to their education. They are highly motivated and persistent in the face of difficulties. Pupils make a highly positive, tangible contribution to the life of the school and/or the wider community. Pupils actively support the well-being of other pupils.
- Pupils behave consistently well, demonstrating high levels of self-control and consistently positive attitudes to their education. If pupils struggle with this, the school takes intelligent, fair and highly effective action to support them to succeed in their education.

413. In order to judge whether a school is good or requires improvement, inspectors will use a 'best fit' approach, relying on the inspection team's professional judgement.

Good (2)

- The school has high expectations for pupils' behaviour and conduct. These expectations are commonly understood and applied consistently and fairly. This is reflected in pupils' positive behaviour and conduct. Low-level disruption is not tolerated and pupils' behaviour does not disrupt lessons or the day-to-day life of the school. Leaders support all staff well in managing pupils' behaviour. Staff make sure that pupils follow appropriate routines.
- Leaders, staff and pupils create a positive environment in which bullying is not tolerated. If bullying, aggression, discrimination and derogatory language occur, they are dealt with quickly and effectively and are not allowed to spread.
- There is demonstrable improvement in the behaviour and attendance of pupils who have particular needs.
- Pupils' attitudes to their education are positive. They are committed to their learning, know how to study effectively and do so, are resilient to setbacks and take pride in their achievements.
- Pupils have high attendance, within the context of the pandemic. They come to school on time and are punctual to lessons. When this is not the case, the school takes appropriate, swift and effective action.
- Suspensions are used appropriately. The school reintegrates suspended pupils on their return and manages their behaviour effectively. Permanent exclusions are used appropriately as a last resort (see [statutory guidance on school exclusion](#)).
- Relationships among pupils and staff reflect a positive and respectful culture; pupils are safe and they feel safe.
