

7<sup>th</sup> July 2023

### **Ecclesall Woods Local Trip**

Tuesday 11<sup>th</sup> July – Seals  
Wednesday 12<sup>th</sup> July – Dolphins  
Thursday 13<sup>th</sup> July – Blue Whales

Dear Parents/Carers,

On the above dates Year 1 will be going on a local walk through Ecclesall Woods.

We will be leaving from school in the morning and walking down to Ecclesall Woods via the top entrance on Abbey Lane. We will then walk through the woods focussing on signs of summer and they will complete a range of activities on the way through to the Discovery Centre. They will eat lunch when we arrive (outside –fingers crossed for sunny days) and then in the afternoon they will make a den for the animals before we head to walk back to school.

#### **Lunch**

Please log on to Parentpay (Active Payment Items), by Friday, 30<sup>th</sup> June to order your child a Free School Sandwich of their choice or to confirm that you will provide your child with a packed lunch. They will also need a water bottle and can bring extra snacks. Please ensure your child has a rucksack so they can carry all of this in.

#### **Clothing**

We will be spending all day outside in the woods, please check the weather forecast and send your child in appropriate clothing. Please make sure your child has comfy shoes on and if wet, they are waterproof.

#### **Adult helpers**

As this is a local walk we would love to welcome as many parent/carer/grandparents to join us. Please speak to the class teacher and they will sign you up.

Thank you.

Mrs Lee, Miss Jellings and Miss Lloyd.
