

Dear Parents and Carers of Y3 children,

In Year 3 we are starting a new topic entitled Eat Happy in which the children learn about where our food comes from and the different food choices that we can make. As part of this topic we are having a food tasting session involving foods from different countries. The session will take place on **Friday 6<sup>th</sup> October** and will include a selection of fruit, breads and meats (see below for the full lists of foods). During the session we will encourage children to try the different foods available; however **we are aware that some children have allergies, are vegetarian or have other dietary needs and we are happy to discuss these with you.**

A detailed breakdown of the ingredients in each item will be available in the week leading up to the activity. Unfortunately we cannot buy the items any closer to this date as the food is perishable and will go off.

If you have any questions regarding the food tasting or would like to make us aware of any issues regarding the planned session please talk to your child's class teacher.

Many thanks  
Y3 Team  
Ecclesall Primary School
