

7th September 2023

Dear Parents/Carers,

As part of our 'Good to be me' topic, year 3 have been thinking about the qualities and talents that we all have. We have thought about how these talents are required for certain jobs and what we might like to be when we are older.

On Friday 15th September we would like all year 3 children to come dressed in an outfit that represents the job that they would like to do. This does not have to be a bought costumes, it can be a selection of props or clothes that you already have. During the day we have a 'catwalk parade' where all the children can see each others outfits, guess the job and pose for a photograph.

If you have any questions, please see your class teacher.

Many thanks

The Year 3 Team.
