

11.10.23

As part of our guided reading sessions the children will be given the opportunity to choose a reading for pleasure book that they can swap each week. This might not be a book that they can easily read by themselves but a story to share together as a family. Please ensure this is kept in their book bag and returned on our guided reading day.

Our Christmas workshop will be on Tuesday 5<sup>th</sup> December 9:00-10:00am. You are warmly invited to join us for the hour to make Christmas decorations with your child. We will then use these to decorate our classrooms. We have put dates in the diary for our Christmas nativity which will be during the afternoon of the 11<sup>th</sup> and 12<sup>th</sup> of December. More information to follow soon.

We have had a few queries with regards homework in year 2. Homework is very much optional but the more you can do with your child the better. We recommend as much regular reading as possible even if this is just ten minutes a day. We included some suggested activities, that are related to our topics, on the knowledge organiser that can be found on the school web site each half term. We also upload activities onto Google classroom should you want something extra.

As part of our Twinkl phonics teaching we are sending home a parent's information sheet which gives you some information around what we have been teaching. We also give the children a little bookmark which includes the following weeks sounds and words we will be learning so they can do some pre-learning. They should be bringing this home every Friday.

Kind Regards

Year Two Team
