## Y2 Owl Day

Dear Parents/Carers

As part of our creative curriculum topic (Autumn 1 half term) 'Living Things and Their Habitats', we have BB Falconry coming into school on the morning of Monday, 2<sup>nd</sup> October 2023 with the 'Owl Experience'.

They will bring owls with them and talk about their habitat, life cycle, food chain and growth.

There is a small charge of £2.15p for the visit. Please log on to Parent Pay to give your consent and make your payment.

Yours sincerely

The Year 2 Team
