

20th October 2023

Dear Parents and Carers

On Tuesday 7th November, we are intending to have a Maths Day. This will be a day of fun maths challenges, games and puzzles which we are convinced the children will enjoy.

We will also be relaunching Times Tables Rock Stars. In order to engage in this even more, if possible we would like them to dress up in a maths theme or a rock star.

Your support with this would be greatly appreciated.

Kind regards

Y3 team
