

01 December 2023

Dear Parent / Carer,

Reindeer Run/Roll – Laps to Lapland

As part of our festive celebrations in school, we are inviting all children to take part in a Reindeer run/roll on **Friday 8th December**. The children will work together in school to run/roll enough laps to reach Lapland. They worked so fantastically together in our most recent fitness celebrations (Bearpees for Children in Need) that we would like to continue building on their wonderful teamwork across school.

Each year group will be allocated a time throughout the day to run laps of the field (or playground depending on weather) with the aim of building up enough laps as a whole school to reach Lapland from Ecclesall. As the crow flies this is around 1360 miles. We think that this is a tough target but know that we smashed our last Bearpee target and are confident that the children will rise to the challenge!

We would love for the children to come to school in clothing appropriate to run laps of the field (or playground) and that it is also festive! Anything you already have at home is more than enough – festive jumpers, something sparkly, headbands, hats or anything you can think of!

Good luck to everyone and we hope that you enjoy being part of Team Ecclesall again!

Mr Stedman, Mr Fretter and Mrs Evans

PE Coordinators
