

Week Beginning January 22nd 2024

This half-term our topic is; 'Once upon a time...'

Literacy

We will be introducing our Big Book "The Three Little Pigs" and we will sequence the story using a story map. We will be writing simple sentences e.g. 'a pig is in the hut' focusing on forming our letters correctly.

In our phonics sessions we will be practising all previously learned letters and sounds and introducing the digraphs oo as in moon, oo as in book, ar as in star and or as in horn. We will recap the Level 3 tricky words. Throughout phonics we will be segmenting and blending for reading and spelling, using our previously learnt sounds.

Mathematics

We will be looking at the composition of numbers up to 5. We will use a variety of different equipment to show how to make numbers to 5 such as numicon, dominoes and missing number equations.

Understanding the World

This week we will be learning about materials and talking about the similarities and differences between wood, metal and plastic and sorting objects into the three different categories. We will also be using lots of different vocabulary to describe different textures of materials.
