

12th January 2024

Dear Parents and Carers of Y3,

As part of our exciting new topic, the Ancient Egyptians, we have arranged an interactive History Alive presentation to consolidate our learning. We will be meeting two important historical figures who are going to transport the children 'back in time' and take them on an adventure in Egypt.

We are asking for a voluntary contribution of £2.88p to cover the cost of this experience, which will take place on the morning of Monday 5th February. In order to give permission for your child to take part, please could you make your contribution via ParentPay. Thank you.

We look forward to our time travelling adventure!

Kind Regards,

The Y3 Team
