

21/3/2024

Dear Parents and Carers of Reception children,

Growth

Our focus for next half term is 'Growth' and much of our learning will be based around changes over time, human growth and how we can keep our bodies and minds healthy. In understanding the world we will be learning about what a plant needs to grow.

Our first writing activity will be based around how we have changed since we were a baby. Please email a baby photograph of your child before the end of this half term to support them with this activity. Please email your photographs to:
yr@ecclesall.sheffield.sch.uk

Please may we remind you to refer to our school website to read weekly information about what we will be covering each week in school and also find further curriculum information including our Curriculum jigsaws and Knowledge organisers. Please copy and paste the following link: <https://ecclesallprimary.co.uk/reception/>

If you have any further questions, please see a member of the Reception team. Once again, we would like to say a huge thank you for your ongoing support.

Kind regards
The Foundation Stage team
