

March 2024

Dear Parents and Carers,

Re: Y6 Leavers Hoodies

ETPFA will be providing each child in Y6 with a leavers hoodie. The hoodies have the name of the school on the front and individual children's first names making up the number 24 in classic leavers hoodie style on the back. EPTFA will be covering the cost of purchasing the hoodies and we are therefore not asking for any financial contribution from parents or carers.

In order for us to place the order, we need to know what size hoodie your child requires and also how they would like their first name to appear on the back of the hoodie i.e full or shortened version. The sizes available are detailed below.

Size	Age	Chest to fit
L	9-11	32 inches
XL	12-13	34 inches

If you think your child may need a different size to those listed, please get in touch. We do not order any spares so please consider getting a slightly bigger size if in any doubt.

Please e-mail us with the following information;

- Your child's name and class
- How they would like their first name to appear on the hoodie (if there are 2 children with the same name in the class, it is possible to put the first letter of the surname i.e. John S)
- The size required.

Please e-mail; hoodies@eptfa.org.uk by Friday 15th March 2024 with the information required.

Many thanks,

EPTFA
