Dear Parents/Carers

Abbeydale Industrial Hamlet Visit

We have managed to secure a visit to the wonderful Abbeydale Industrial Hamlet to support our Sheffield Flood topic. Whilst there, we will explore the site and get a feel for life in Sheffield pre and during the Industrial Revolution.

The children will go in two groups.

Thursday 9th May: Starfish and Stingrays

Friday 10th May: Seahorses

We will be walking down to the site in the morning, completing a few activities and then walking back up, where we will stop off to buy ice-cream at Ecclesall Woods. We will show the children the various ice-cream choices ahead of time and then pre-order so they are ready for us when we arrive.

Please send your child with a packed lunch/drink for a picnic on site and £2 for the ice-cream (if they wish to have one). We would also ask you to keep an eye on the weather forecast and ensure that they are dressed appropriately. Comfortable footwear is essential. We will go no matter the weather conditions. Any children with medication will need to take it with them.

Kind regards

The Y5 team
