

Week Beginning June 3rd  
This half-term our topic is; 'minibeasts'

Literacy

In phonics we will be recapping some level 3 digraphs and trigraphs, and reading these sounds in words. We will also be recapping using level 4 phonics to blend sounds in more complex words- such as words with adjacent consonants. We will be playing some lovely phonics games on the carpet and practising reading sentences.

Our writing focus will be dictated sentences about snails. We will be remembering the words in our heads and segmenting the sounds to spell each word.

Mathematics

In maths we will be focusing on ordering numbers up to 10 and to 20. We will also be writing the numerals making sure they are formed correctly.

Understanding the World

This week we will be starting our new topic about minibeasts. We will be learning about what minibeasts are, where they live, and why they are good for our environment.

We are looking forward to our trip to the butterfly house next Friday (14<sup>th</sup> June). Please remember to send the children to school wearing **school uniform** as well as a **waterproof coat** and a **sunhat** depending on the weather. They will also need a **water bottle**, an **extra snack**, a **ruck sack** and **sensible footwear**.
