

Week Beginning May 20th
This half-term our topic is; 'Growth'

Literacy

This week we will be writing a dictated sentence remembering the words in our head and segmenting to spell each word.

In our phonics sessions we will be practising previously learned digraphs and trigraphs and 'tricky' words' including our Level 4 tricky words. We will be using our robot arms to sound out words, making sure we hear each sound and listening out for adjacent consonants.

We will practise forming 'robot arm' letters r, n, m in our handwriting session.

Mathematics

We will be recapping on the learning for this half term including number bonds, subtraction facts, subitising, sharing and odd and even numbers.

Understanding the World

We will be learning about what a sunflower seed needs to grow as we plant our seeds. We will also be reviewing our learning on growth and recapping on our new vocabulary:

Past, Present, Future

Balanced diet, Personal hygiene

Seed, Water, Light, Soil, Root

We hope that you all have a lovely half term holiday!
