

Week Beginning 6th May
This half-term our topic is; 'Growth'

Don't forget it's a Bank Holiday this Monday 😊

Literacy

This week we will be sharing Our Big Book Jasper's Beanstalk. We will be writing dictated sentences about Jasper's Beanstalk. In phonics we are learning to read polysyllabic words containing adjacent consonants, such as treetop, flowers or windmill. We will introduce the tricky words do, when, out and what.

We will practise forming 'ladder' letters t, u, y in our handwriting session.

Mathematics

We will be learning how to subtract using a tens frame and a number line.

Understanding the World

We are going to be discussing what we need to do to have good personal hygiene such as cleaning our teeth, washing our hands, having a bath or shower regularly and making sure we wipe our runny nose and throw the tissue in the bin.
