

# Do you want to play a brass instrument?

My name is Chris Barron and I am a Music Tutor with the Sheffield Music Hub! I am the brass teacher at Ecclesall Primary School and a professional tuba player.

## *Why learn to play an instrument?*

Learning a musical instrument is one of the most fun things you can do at school! It lets you make lots of new friends by playing music together, it trains many different parts of your brain, and is an activity you can enjoy taking part in your whole life!

## *What opportunities are there if I learn?*

Once you've learnt the basics, the Music Hub has many music groups for all abilities including brass bands, orchestras and wind bands!

## *What instrument can I learn?*

I can offer lessons on the following instruments:

Trumpet, cornet, tenor horn, trombone, euphonium, baritone, tuba.

## *Sign up for a FREE lesson!*

I am offering a limited amount of free trial lessons at Ecclesall Primary School on **ANY** of the instruments listed above. Sign your child up by emailing:
