Transition support

Over the next few weeks, the children will be preparing for their transition. In their classes, they will be spending time reflecting on the past year, hopes and dreams about next year as well as discussing worries. On Wednesday 26th June a.m, the children will register with their current teacher and then spend the morning getting to know their new teacher(s) and new classroom, and will then go back to their current teacher for the afternoon. For those who need

it, there will also be smaller opportunities for the children to visit their new teacher and classroom informally. Transition meetings are planned in for current and new teachers to meet to pass on information about each child. All children will receive a 'Meet The Teacher' poster which they can refer to throughout the summer.

In September when the children return to school, all classes will be focussing on 'new beginnings' and building relationships with each other.

Kind Regards
